Florida's Colleges and Universities

Brief History of Florida Higher Education

1998	State Board of Education enshrined in state constitution.
2000	Florida Education Governance Reorganization Act abolished the State University Board of Regents, created individual university boards of trustees, abolished the State Board of Community Colleges, and placed all sectors under a K-20 Board of Education.
2002	Board of Governors enshrined in state constitution.
2005	Settlement agreement clarifying and defining Board of Governors' and Legislature's authority related to State University System.
2012	Legislature adopted Performance-based Funding model for State University System. <ul style="list-style-type: none"> • In FY 2013, \$20 M was appropriated for performance incentives. • In FY 2014, the Legislature restructured the Performance Funding program, providing \$100 M in state investment and requiring \$65 M in institutional investment. By FY 2020, those values have grown to \$265 M and \$295 M, respectively. • From FY 2013-FY 2020, a total just over \$1.5 B has been appropriated for state investment in performance funding.
2013	Legislature established Preeminent State Research Universities program.
2014	Legislature created Performance-based Funding Model for Florida College System. <ul style="list-style-type: none"> • In FY 2015-16, \$40 M was appropriated for performance incentives (\$20 M state investment; \$20 M redistributed from the institutions' base) • In FY 2016-17 through FY 2018-19, the Legislature provided \$60 M each year (\$30 M state investment; \$30 M institutional investment). • In FY 2019-20 and FY 2020-21, \$30M was appropriated each year for the 2+2 (\$20M) and Work Florida (\$10M) Student Success Incentive Funds, an outcomes based performance model.
2018	Florida College System enshrined in state constitution.
2020	Legislature modified Performance-based funding metrics.
